Claim information

This benefit is available to you at little to no additional cost and will be processed as a claim for a problem-focused exam similar to when you visit an in-network dentist. After completing your virtual visit, Virtual Dental Care will submit a claim to MetLife. MetLife will process as a standard in-network claim.*

**Virtual dentist appointments count as a dental exam and are covered as an in-office visit. Coverage is subject to your plan and its frequency limitations.*
